The Floreat Surf Life Saving has nearly 500 members spanning from 7 years of age to 70. These people come from all walks of life to train, patrol, compete and enjoy the family atmosphere that exists on one of the finest beaches on the west coast. The Surf Club has a heritage of over 60 years but today it is a reflection of the energy of its current members which have established it as one of the most progressive in Western Australia. Our principle objective is to provide surf life saving services to the community and to educate and promote surf safety. Why not come down one weekend and introduce yourself to a great bunch of people. You don't have to be a fantastic swimmer, all you need is enthusiasm.
